"I need your support! Will you help me make a difference our community?"

In just a few days, I am going to join my class-mates and OCCS staff to support my school through community service projects that help people in our community. Through the Serve-A-Thon, students in my school are going to show our generosity in the following ways.

**Pre-K and Kindergarten**

Students will make cards, decorations and place mats for the Thanksgiving baskets distributed by Human Concerns.

**First Grade**

Students will make and deliver literacy posters for the Oswego City Library to inspire reading.

**Second Grade**

Students will participate in making and delivering therapeutic corn bags for the residents of the Ladies Home in Oswego.

**Third and Fourth Grade**

Students will decorate flower pots and engage the residents of a nursing home with potting a flower for them to keep.

**Fifth and Sixth Grade**

The students will serve by cleaning and prepping public flower beds in Oswego.

**Seventh and Eighth Grade**

The student will work on cleaning trails for the safety of the campers at Camp Hollis.

Would you be willing to sponsor me? My goal is to raise \$1,000 through personal sponsors like you. I would appreciate any amount because every dollar you give is a true investment in my life and in the life of our school.
